

## **DELIVERY AND COLLECTION OF CHILDREN POLICY**

---

### **Mandatory – Quality Area 2**

#### **PURPOSE**

This policy will provide clear guidelines to ensure the safe delivery and collection of children attending a Bethany Kindergarten Services (BKS) service.

#### **POLICY STATEMENT**

##### **VALUES**

BKS is committed to:

- ensuring the safe delivery and collection of children being educated and cared for at the service
- meeting its duty of care obligations under the law.

##### **SCOPE**

This policy applies to BKS as the Approved Provider, Nominated Supervisor, educators, other staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of a BKS service.

#### **BACKGROUND AND LEGISLATION**

##### **Background**

A duty of care exists at all times the child is attending a children's service. In addition, the service has a duty of care to a child while he/she is on the service's premises even if he/she hasn't yet been signed into the service or has been signed out of the service, and is legally under the care and supervision of the parent/guardian (refer to *Supervision of Children Policy*).

The child may only leave the service in the care of a parent/guardian, authorised nominee or a person authorised by one of these parties to collect the child. An authorised person does not include a parent who is prohibited by a court order from having contact with the child. An exception is made in the event of a medical or other emergency (refer to *Incident, Injury, Trauma and Illness Policy* and *Emergency and Evacuation Policy*) and for excursions (refer to *Excursions and Service Events Policy*).

##### **Legislation and standards**

Relevant legislation and standards include but are not limited to:

- *Children, Youth and Families Act 2005* (Vic), as amended 2011
- *Children, Youth and Families Act 2005* (Vic), as amended 2012
- *Education and Care Services National Law Act 2010*: Sections 167, 170
- *Education and Care Services National Regulations 2011*: Regulations 99, 168(2)(f)
- *Family Law Act 1975* (Cth), as amended 2011
- *National Quality Standard, Quality Area 2: Children's Health and Safety*
  - Standard 2.3: Each child is protected

## DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

**Attendance record:** Kept by the service to record details of each child attending the service including name, time of arrival and departure, signature of person delivering and collecting the child or of the Nominated Supervisor or educator (Regulation 158(1)).

**Authorised nominee:** (In relation to this policy) a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. At a GKA service an authorised nominee must be a minimum of 16 years of age.

**Duty of care:** A common law concept that refers to the responsibilities of organisations to provide people with an adequate level of protection against harm and all reasonable foreseeable risk of injury.

**Family member:** in relation to a child, means:

- a) a parent, grandparent, brother, sister, uncle, aunt or cousin of the child, whether of the whole blood or half-blood, and whether that relationship arises by marriage (including a de facto relationship), by adoption or otherwise, or
- b) a relative of the child according to Aboriginal or Torres Strait Islander tradition, or
- c) a person with whom the child resides in a family-like relationship, or
- d) a person who is recognised in the child's community as having a familial role in respect of the child.

**Inappropriate person:** A person who may pose a risk to the health, safety or wellbeing of any child attending the education and care service, or whose behaviour or state of mind make it inappropriate for him/her to be on the premises e.g. a person under the influence of drugs or alcohol (Act 171(3)).

**Incident, Injury, Trauma and Illness Record:** Contains details of any incident, injury, trauma or illness that occurs while the child is being educated and cared for by the service. Any incident, injury, trauma or illness must be recorded as soon as is practicable but not later than 24 hours after the occurrence. Details required include the:

- name and age of the child
- circumstances leading to the incident, injury, trauma or illness (including any symptoms)
- time and date
- details of action taken by the service including any medication administered, first aid provided or medical personnel contacted
- details of any witnesses
- names of any person the service notified or attempted to notify, and the time and date of this
- signature of the person making the entry, and time and date of this.

These details must be kept for the period of time specified in Regulation 183. A sample *Incident, Injury, Trauma Record and an Illness Record* is available on the ACECQA website.

**Medication record:** Contains details for each child to whom medication is to be administered by the service. This includes the child's name, signed authorisation to administer medication and a record of the medication administered, including time, date, dosage, manner of administration, name and

signature of person administering the medication and of the person checking the medication if required (Regulation 92). A sample medication record is available on the ACECQA website.

**Serious incident:** An incident resulting in the death of a child, or an injury, trauma or illness for which the attention of a registered medical practitioner, emergency services or hospital is sought or should have been sought. This also includes an incident in which a child appears to be missing, cannot be accounted for, is removed from the service in contravention of the regulations or is mistakenly locked in/out of the service premises (Regulation 12). A serious incident should be documented in an *Incident, Injury, Trauma Record or an Illness Record* (sample form available on the ACECQA website) as soon as possible and within 24 hours of the incident. The incident should also be reported to the relevant Kindergarten Services Manager as soon as practicable but within 24 hours of the incident. The Kindergarten Services Manager will notify The Regulatory Authority (DET) within 24 hours of a serious incident occurring at the service and conduct an investigation if applicable (Regulation 176(2)(a)). Records are required to be retained for the periods specified in Regulation 183.

**Unauthorised person:** (in relation to this policy) is a person who is **not** a parent/guardian, family member, authorised nominee, emergency services or medical personnel, or a person who holds a current Working with Children Check card.
